**Open Master Class for Young Musicians**  
**<Viola> <Chamber Music>**

Founded in 1992 on the initiative of internationally distinguished violist Nobuko Imai, Viola Space is an annual festival for viola dedicated to "celebrating the viola", "introducing outstanding works and new works for viola", and "fostering young artists". In 2009, Tokyo International Viola Competition was launched as part of the events to be held every three years in the context of Viola Space. In 2016, VIOLA SPACE celebrated its 25<sup>th</sup> anniversary.

As usual, master classes will be held during the VIOLA SPACE festival by guest artists and distinguished festival faculty. Many of the past participants of the master classes have now become leading international artists, and are supporting VIOLA SPACE today.

In June, 2019, the master classes for viola solo and chamber music (with viola) will be held for 2days, **June 1 and June 2**, in Tokyo,.

The classes are open to young musicians from all nationalities. **Applicants are asked to attend the audition on March 12. For those individuals that are unable to attend our audition, we are accepting video submissions.**
